

Ohio Revised Code

Section 3734.62 Purchase of mercury-added measuring device for classroom use.

Effective: April 6, 2007

Legislation: House Bill 443 - 126th General Assembly

On and after the effective date of this section, no school district or educational service center established under Chapter 3311. of the Revised Code, community school established under Chapter 3314. of the Revised Code, or nonpublic school for which the state board of education prescribes standards under section 3301.07 of the Revised Code and no employee of such a school district, educational service center, community school, or nonpublic school shall purchase mercury or a mercury-added measuring device for classroom use.

If a school district, educational service center, community school, or nonpublic school or an employee of a school district, educational service center, community school, or nonpublic school purchases mercury or a mercury-added measuring device for classroom use on or after the effective date of this section in violation of this section, but properly recycles or disposes of the mercury or mercury-added measuring device upon learning of or being informed of the violation and creates and implements a mercury reduction plan, the director of environmental protection shall consider the recycling or disposal of the mercury or mercury-added measuring device and the implementation of and compliance with the mercury reduction plan as mitigating circumstances for purposes of enforcement of a violation of this section.
